5. Click on "save"

6. Click on „OK“

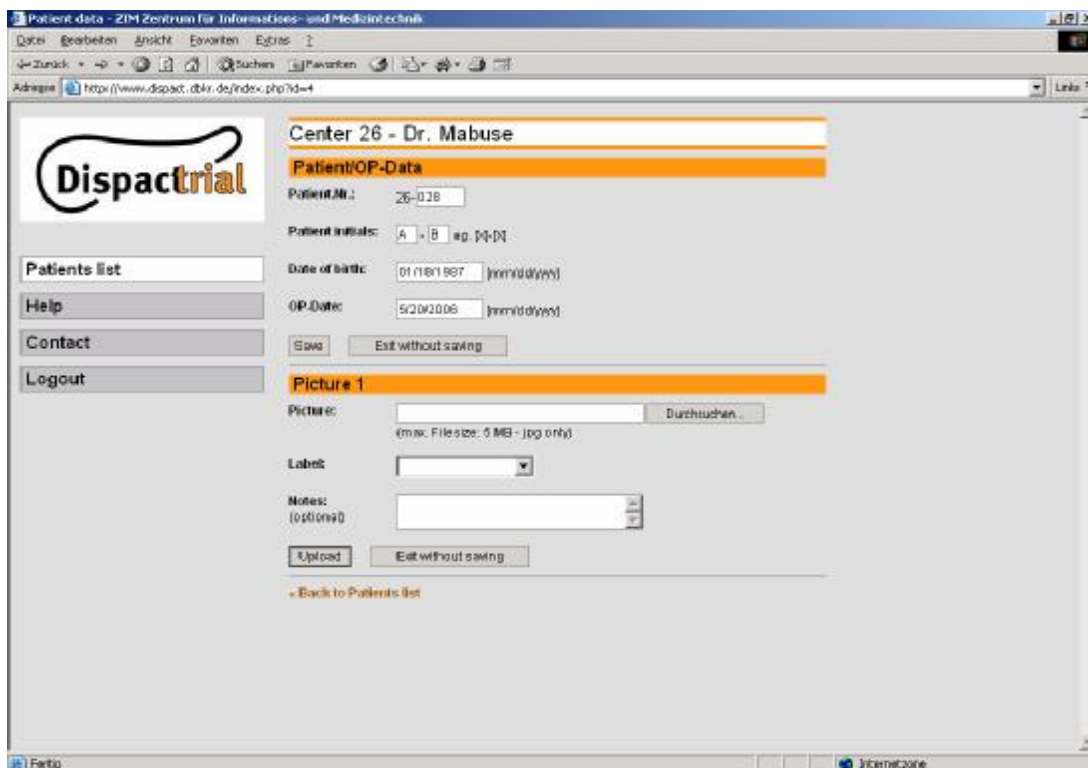

7. Click on "Durchsuchen" ("Search")

The screenshot shows a web browser window with the URL <http://www.dispact.dtkr.de/index.php?id=4>. The page title is "Patient data - ZIM Zentrum für Informations- und Medizintechnik". The main content area is titled "Center 26 - Dr. Mabuse" and contains a "Patient/OP-Data" form. The form includes fields for "Patient Nr." (26-028), "Patient initials" (A, B, eg. [A-D]), "Date of birth" (01.11.1987), and "OP-Date" (5.20.2008). Below these fields are "Save" and "Exit without saving" buttons. The "Picture 1" section is highlighted in orange and contains a "Picture:" field with a "Durchsuchen..." button, a "Label:" dropdown menu, and a "Notes:" text area. At the bottom of this section are "Upload" and "Exit without saving" buttons, and a link to "Back to Patients list".

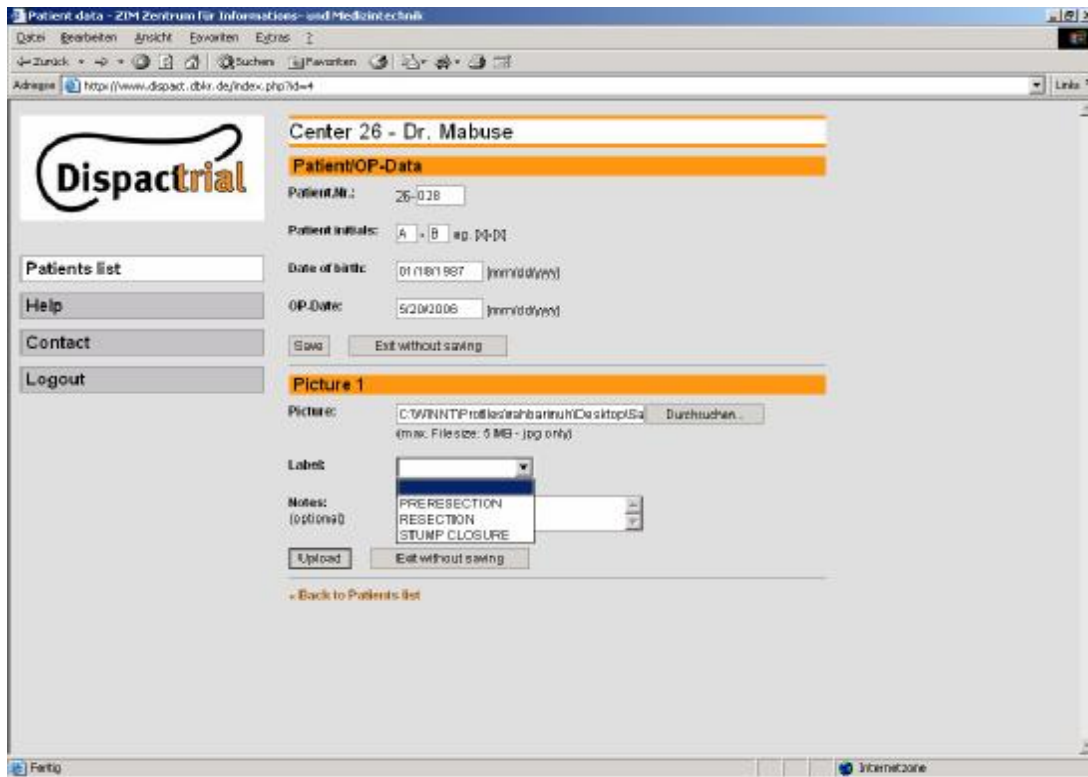

8. Go to the folder containing your pictures

If you have taken more than 3 photos, pre-select the best 3 photos for the upload. Once a photo has been uploaded, it cannot be changed afterwards.

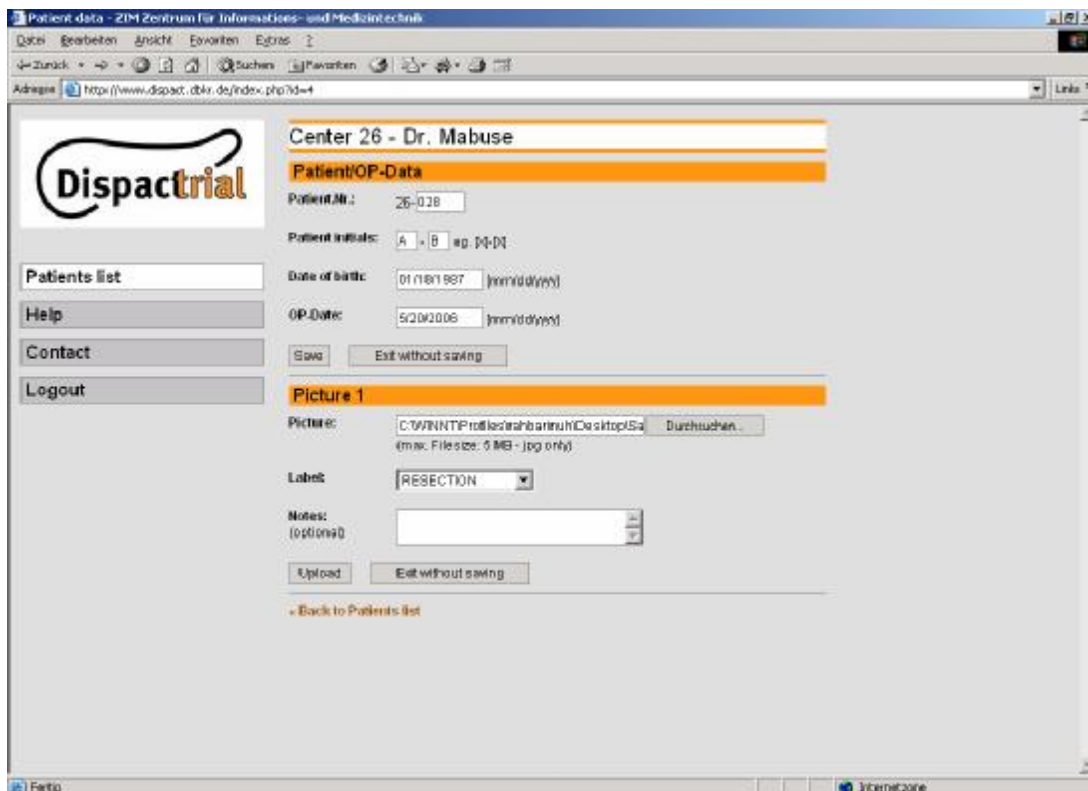

This screenshot is identical to the one above, showing the same web application interface. The "Picture 1" section is highlighted in orange, and the "Durchsuchen..." button is visible next to the file input field. The form fields and buttons are the same as in the previous screenshot.

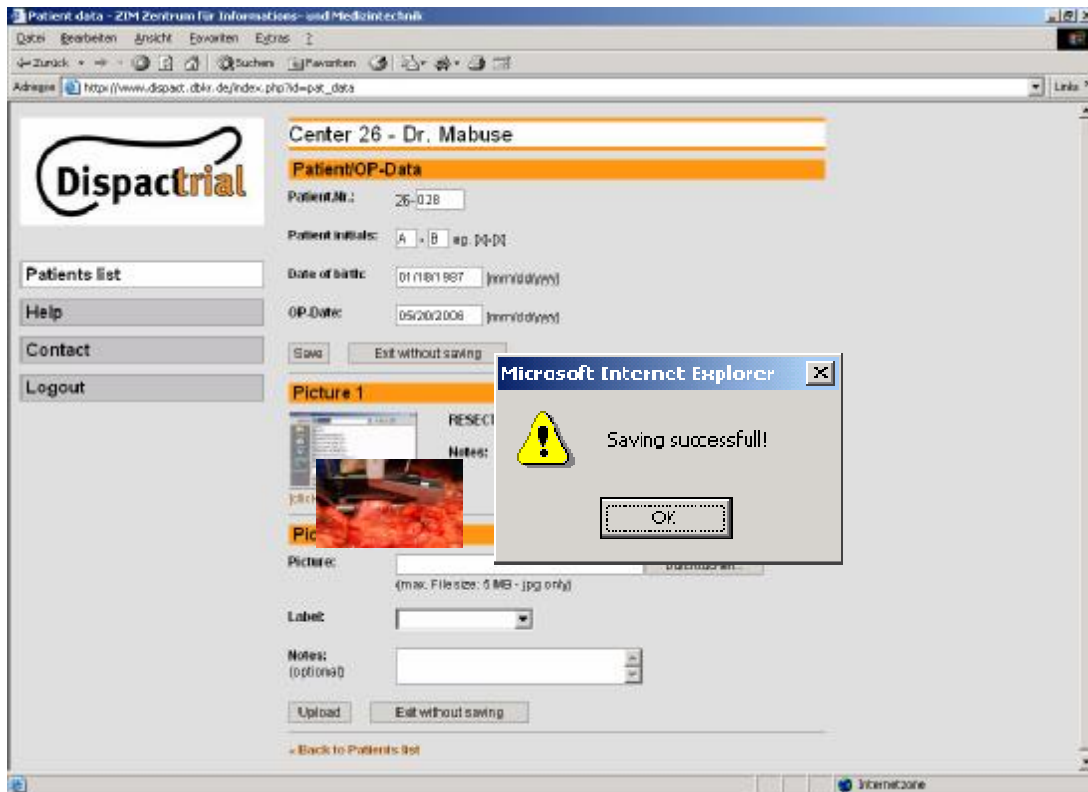

9. Select a label for the picture you chose

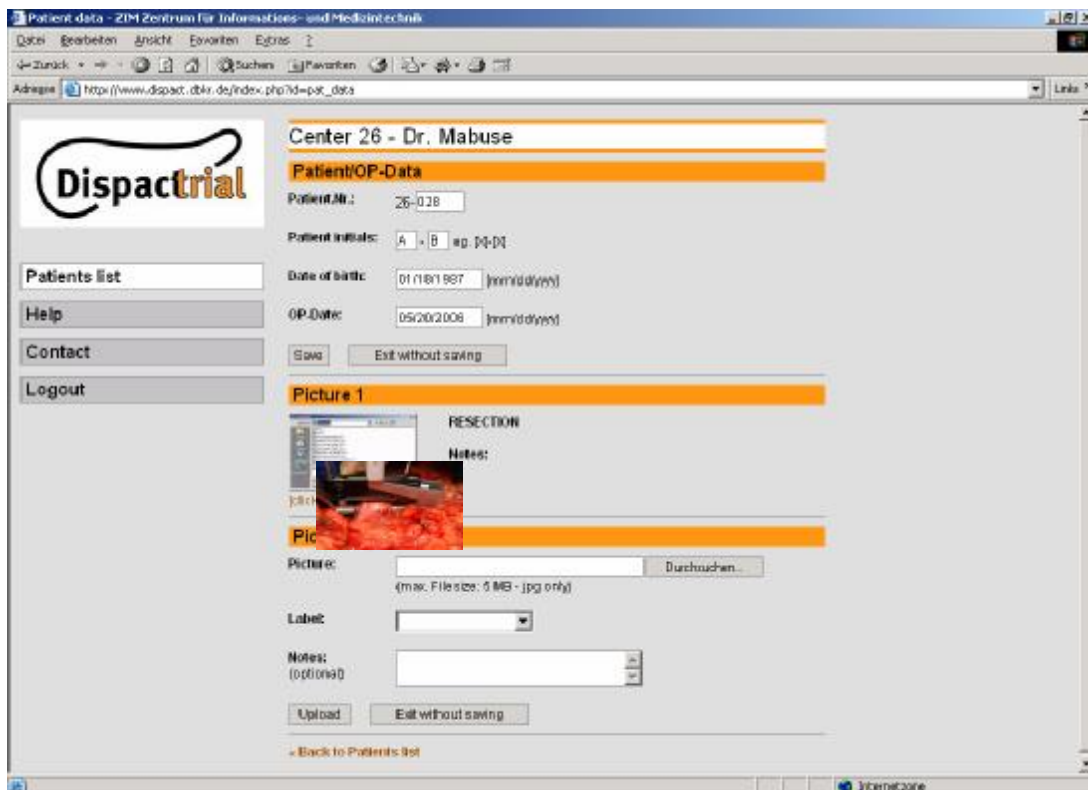

10. Type in any notes (optional) and click on "Upload"

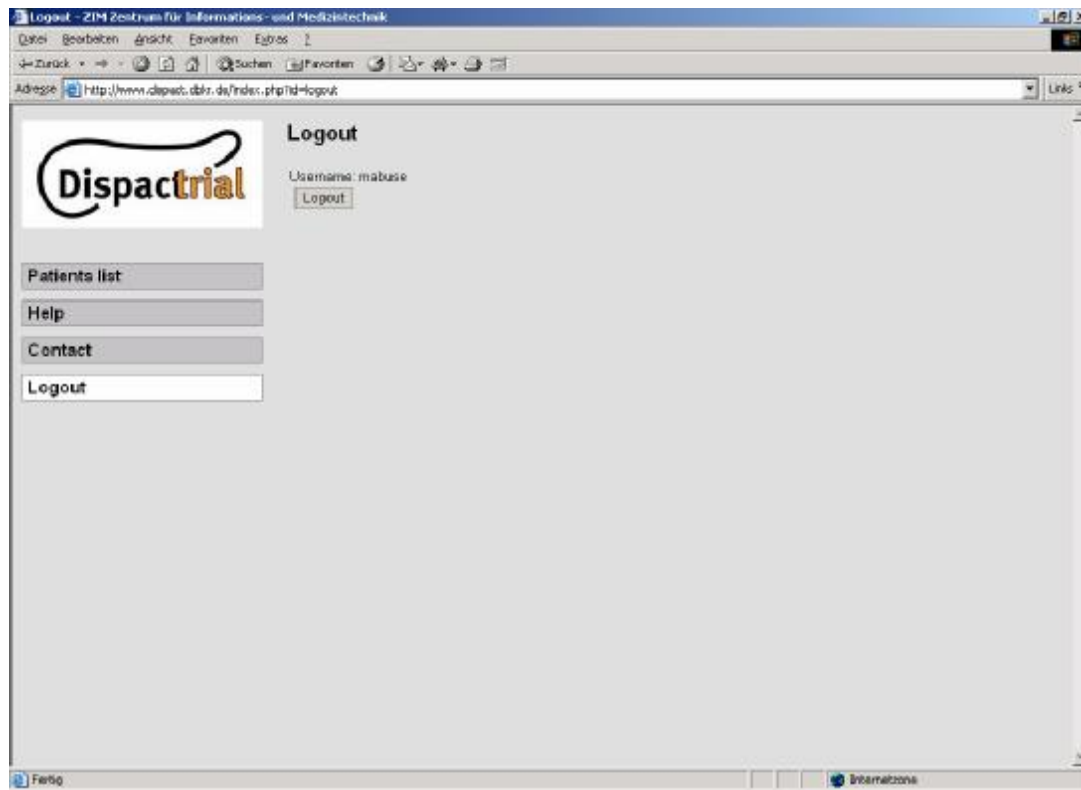

11. Click on "OK"

12. Click on "Logout"

13. You're done with the transfer of pictures!

If any problems should occur or you should have any questions,
